

Antony Rishin Mukkath Roy

User Experience Designer

antonyrishin.com | antonyr1@umbc.edu | 410.900.7256

WORK EXPERIENCE | 6 YEARS

UX Designer | Interactive Systems Research Center

Jan 2018 - present Maryland

Conducted a qualitative analysis of voice interaction model of Google Assistant, Amazon Alexa, Microsoft Cortana, Apple Siri and designed a new accessible voice user interaction model.

Redesigned the current developer platform and indoor navigation mobile application of TRX Systems. My responsibilities included user research, user testing, hackathon, prototyping.

Senior UX Designer | TCS Interactive, Designlab

Dec 2015 - Jun 2017 India

Joined as a senior designer. Led design and implementation of multiple applications (3 mobile, 2 iPad, 1 web, 1 TV) for customers including Indian Prime minister's Office, DIAGEO, AIG, etc.

Engaged in multiple roles ranging from Design Strategy, UX Audit, User Research, Wireframing, prototyping, and Usability Testing.

Created rapid Interactive prototypes using various tools Powerpoint, Sketch, Invision, Adobe XD.

Collaborated closely with Product Managers, Developers, and Business analysts.

Mentored Jn. UX Designers and Interns in the team.

UX Designer | TCS, Digital Enterprise

Jan 2014 - Dec 2015 India

Played a key role as a UX designer of FreskoTalk, an Enterprise Social Collaboration platform of a \$100 billion dollar company with 400K employees. Designed impactful interactions on notification and chat and discourse markers which improved users productivity and increased user engagements.

Other Key Products: Customer care Reimagination Platform, Knome Ideation Platform, TCS Employee on-boarding Application.

My responsibilities include heuristics analysis, wireframe, sitemap, user flows, concept sketches, and visual design.

Delivered Rapid Interactive prototypes using various tools Axure, Sketch, Invision, Adobe After Effects.

Worked closely with product team of Product Managers, Developers, Business Analysts, and content writers.

SAP Consultant | TCS

Sep 2012 - Dec 2013 India

Worked as a Techno-Functional and Actively participated in SAP's UX initiatives like SAP Fiori, Screen Persona, SAP UI5.

LEADERSHIP & ACHIEVEMENTS

Played an instrumental role in establishing UX Design community in Slack called "Get started in UX design."
